THE WILLOW BY GERBER HOMES is our exclusive design and a customer favorite. From our new Cottage Series of custom homes, The Willow offers the convenience of one floor living that is always comfortable and spacious. The open floor plan, abundant windows and available outdoor living spaces give you the perfect balance of functional living space with nature's beauty and light. The luxurious master suite, with large walk-in closet and private bath, provides a restful and relaxing sanctuary after a busy, active day. With flexibility in design and abundant choices in features, Riedman Homes give you the opportunity to have your new home constructed to fit your unique lifestyle. Simply imagine the possibilities of life in The Willow.
